

Dear Arnie,

June 10, 2011

How can we ever thank you?

The celebration of our parents 60th Wedding Anniversary at il Tulipano was truly a memorable occasion and a total success! Your musical talent gave the event exactly the ambiance we were hoping for. Mom & Dad as well as all of our guests thoroughly enjoyed themselves. It would be our pleasure to recommend you to everyone we know.

Thank you for making this day so special for all of us!

Sincerely,

Diana & John DiQuarto
